Publishing a book is a courageous and exciting adventure that everybody should try at least once. I have successfully published several books and without a doubt I recommend you to do it as well. Don't let this chance go, it will be part of your legacy to this world.

I know what you are thinking. Me? Publishing a book? I know nothing about computers! I cannot afford paying a publishing company to get my book printed out! Don't worry, Internet has changed the world, and this also includes the publishing business.

Within this book you will find all necessary steps you need to know to **publish your own book in Amazon, Kobo, Sony, Apple, Barnes & Noble and many other platforms**, including as it could not be in any other way, the traditional paper format.

If you have written book or are thinking on writing one... go on! What are you waiting for to get it published? You won't regret the experience.
