Adolf Hitler: The Ultimate Avatar

Miguel Serrano

Adolf Hitler: The Ultimate Avatar Miguel Serrano

"A Book describing the ongoing, titanic and eternal battle between Gods and Devils, between a Dark Force, a Satanic Spirit and a coming, or returning Hyperborean Aryan Age. The Memory of the Blood: This is the central theme in the Book: crucial for the understanding of this enlightening epic, a Spiritual Odyssey. A Voice, harking from a distant, primordial past, still lingers in those Aryans still loyal to their Race. A Voice beckoning the Hyperborean Archetype, urging those attuned to it to a final, finite fight to the finish, against the Eternal Enemy. A Spiritual battle comparable to the Mahabharata, a battle closing a great cycle of time and consequently opening another."
