Classical Literature and its Reception: An Anthology

Classical Literature and its Reception: An Anthology

This *anthology* presents a selection of works that illustrates the traffic between British poetry and classical literature.

- Gives readers the classical background they need in order to really appreciate British poetry.
- Divided into two halves – the first half presenting a selection of the best British poems, and the second presenting relevant classical works in translation.
- Notes and introductions highlight the connections between British works and their classical forebears.
