Demons prowl in this page-turning, suspenseful Christian fantasy on the border between earth and spirit. The Oneness holds the world together ... what happens if it falls apart? Tired of sitting on the defensive, Chris and Tyler go after the hive-the dark entity created when humans and demons join forces. When they disappear, Reese and the others must continue the hunt. An abandoned warehouse, a possessed teen, a children's home, a rural community, and a trail of murders-all lead to final confrontation with the enemy. And with the truth: That if the Oneness turns on itself, it becomes the greatest danger in the world. HIVE is the second book in The Oneness Cycle, an urban fantasy series of spiritual warfare novels. If you love page-turning suspense, heart-pounding plotting, and fiction that unveils truth, this series is for you. Warning: The Oneness Cycle will make you think, challenge your perceptions of the world around you, and call you to take your place in the battle of good vs evil. Not for the faint of heart!
