When I first met handsome Lex, he was my dream one-night stand. Rugged good looks in a crisp, tailored suit. English accent. I honestly had no idea who he really was. And I couldn't care less. It was just another round of the game... One night of incredible sex, and then done. But then he saved me. And one night turned into more... I just slept with a world-class player in the most watched sport on the planet. And hardened, skilled athletes don't like to lose the game... "Lightning Lex Lambert" is a textbook player. Both *on* and *off* the field. Legions of worldwide fans chant his name. It gives him one hell of an ego. He needs someone to challenge him. Someone to put him in his place. And he knows it. Challenge accepted.
