Sebastian Kruger

Stones by Kruger Sebastian Kruger

A wild feast for any fan of rock and roll and contemporary art, *Stones by Kruger* captures the essence of the British rockers on canvas. Considered the finest caricature painter in the world, Sebastian Kruger created a remarkable collection of surreal, humorous portraits of Keith Richards, Mick Jagger, Bill Wyman, Ron Wood, and Charlie Watts — inspired by a lengthy tour with the band. These masterfully rendered paintings depict the musicians in a variety of poses and situations, running the gamut from pensive and introspective to wild and raunchy. Includes 80 color illustrations.
