The Governor's Lady Robert Inman

Cooper Lanier has been surrounded by politics her entire life. Her late father, Cleve Spainhour, was a beloved two-term Southern governor, as was her husband, Pickett Lanier. Now, Cooper is taking office as governor herself, succeeding Pickett as he campaigns for president.

On her first day, as the state is blindsided by a blizzard, Cooper quickly realizes she is surrounded by leftovers from her husband's administration and that Pickett intends to manage the state's affairs from the campaign trail, even if it means undermining her every command. Cooper is faced with the stark choice of seizing control or becoming a phony, irrelevant figurehead.

Smart, feisty, and independent, Cooper follows her instincts and takes charge.

Her political rift with Pickett mirrors their unraveling relationship. Pickett's obsession with politics has pulled him farther and farther from her. Since childhood, Cooper has thought of politics as a thief that steals everyone she loves. She has mostly blamed her mother, Mickey Spainhour, a once-prominent political mastermind. When Cooper discovers the breadth of Pickett's back-room dealings, and just how far he's willing to go to become president, she realizes she must learn to use her political pedigree and instincts to serve her state.

Struggling to chart a course through the treacherous shoals of male-dominated politics, she finds unexpected allies in the ailing Mickey, from whom she has been estranged for years, and Wheeler Kincaid, a crusty, aging newspaper reporter.

The Governor's Lady shows how politics brings out the best and worst in people and how the public arena affects politicians' values and relationships. The novel will appeal to those interested in a deeper understanding of the subtexts and complexities of American politics and the growing role of women in the political landscape.

From reader reviews:

Paul McKinney:

Here thing why this The Governor's Lady are different and trustworthy to be yours. First of all reading a book is good however it depends in the content than it which is the content is as yummy as food or not. The Governor's Lady giving you information deeper and different ways, you can find any reserve out there but there is no reserve that similar with The Governor's Lady. It gives you thrill examining journey, its open up your current eyes about the thing that happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in area, café, or even in your method home by train. For anyone who is having difficulties in bringing the published book maybe the form of The Governor's Lady in e-book can be your substitute.

Alberta Jones:

Reading a reserve tends to be new life style in this particular era globalization. With reading you can get a lot of information that will give you benefit in your life. Using book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire all their reader with their story as well as their experience. Not only situation that share in the guides. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors in this world always try to improve their proficiency in writing, they also doing some investigation before they write to their book. One of them is this The Governor's Lady.

Irving Wile:

Your reading sixth sense will not betray you, why because this The Governor's Lady guide written by well-known writer who really knows well how to make book which might be understand by anyone who all read the book. Written with good manner for you, still dripping wet every ideas and publishing skill only for eliminate your current hunger then you still question The Governor's Lady as good book not simply by the cover but also by the content. This is one reserve that can break don't assess book by its handle, so do you still needing an additional sixth sense to pick this!?! Oh come on your looking at sixth sense already told you so why you have to listening to a different sixth sense.

Lorraine Wheat:

You can spend your free time you just read this book this reserve. This The Governor's Lady is simple to deliver you can read it in the playground, in the beach, train in addition to soon. If you did not have got much space to bring typically the printed book, you can buy often the e-book. It is make you quicker to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.
