The Man of Property (The Forsyte Saga Book 1)

John Galsworthy

The Man of Property (The Forsyte Saga Book 1) John Galsworthy

The classic tale of a wealthy English family—and a jealous husband who will stop at nothing to gain dominion over his bride.

The first installment of the critically acclaimed Forsyte Saga introduces the Forsyte clan and their endlessly fascinating intrigues. Author John Galsworthy's take on the constricted roles of women within the confines of marriage casts an unforgiving light on traditional courtship while rendering otherwise common domestic dramas in the luscious, indelible prose that would establish him as one of English literature's brightest luminaries.

Upon acquainting the reader with the sprawling Forsyte dynasty, Galsworthy narrows his focus to the relationship between Soames Forsyte, a wealthy solicitor, and his stunning wife, Irene. Determined to keep Irene for himself, Soames slowly narrows his wife's social circle before convincing her to move to a countryside home. And when Irene begins to take a romantic interest in architect Philip Bosinney, Soames will stop at nothing to ensure that Irene understands her place within their marriage.

Widely regarded as the finest novel in an exemplary series, *The Man of Property* is a groundbreaking work of Victorian literature and a delightful read from first page to last.

This ebook has been professionally proofread to ensure accuracy and readability on all devices.
