## Albert and the Others Guy Delisle

Limbs are swapped and pants are dropped in *Albert and the Others*, a collection of wordless strips that expose the pleasures, pitfalls, and perversities of masculinity. In this companion volume to *Aline and the Others* (2006), Guy Delisle delves deep into the male psyche and emerges with twenty-six alphabetically arranged strips, named after the men who tumble through the pages. These elastic protagonists risk damnation and dismemberment in a series of improbable slapstick relationships with women, which veer from the titillating to the downright macabre.
