The worst lies end up in the deep rough... When a South Florida golf club is hit with a series of suspicious events on the eve of hosting a big tournament, there's only one man to call. Miami Jones. But when a caddy goes missing after an altercation with Jones, Miami finds himself in the middle of the case, not just solving it. Miami must navigate billionaire property developers engaged in a high-priced tit-for-tat, death threats and a state investigator who is interested in his girlfriend in a professional capacity and maybe more—to keep himself, the club and the great state of Florida well and truly out of the deep rough. "I rarely read a book where I find myself wishing the characters were real, and that I could know them. That's true of Miami and friends" - Reader review "I could not stop laughing." Reader review
