## Guide to Architecture Schools, 8th edition ACSA

The ACSA Guide to Architecture Schools is the only complete survey of all accredited professional architecture programs in the United States and Canada. It is an invaluable reference for prospective students, graduate students, educators, administrators, counselors, and practitioners. This newly revised edition contains descriptions of all 134 member schools and over 60 affiliate member schools of the Association of Collegiate Schools of Architecture. Featuring: Complete and detailed description of all professional graduate and undergraduate architecture programs in the United States and Canada; Descriptions of preprofessional schools, international architecture programs, and 2-year programs; Index of specialized and related degree programs; An overview of the profession of architecture, the education process, and advice on how to select the right school; Student opportunities and resources; Scholarship and financial aid information.
