## **Port State Control: A Guide for Cargo Ships (North of England P&I Association Loss Prevention Guides) Peter Kidman**

This illustrated guide, which is supported by charts, tables and checklists, describes port state practice as it stands today and gives advice on how to manage inspections. The aim of the guide is to improve the inspection performance of ships through a better understanding and awareness of port state control practice. This updated second edition includes a comprehensive new chapter dealing with some of the commercial implications of delays, detentions and banning orders.
