Book 2 of the highly raved Side Effects Series! Alan just watched his beautiful girlfriend die from testing an unstable drug. It looks like this drug is still in the process of being released by a renegade doctor, so Alan teams up with an old friend Ryan to stop the dangers of the drug from hurting other people. Alan's journey leads him to some new discoveries and some decisions that may leave him in need of a cure himself. When Alan and Ryan team up with an unlikely ally, how far will they go to protect people from this dangerous drug? What more dangers are they going to uncover?
