## **The Horse from Conception to Maturity** Peter Rossdale

An enlarged and completely updated edition of a standard textbook widely used by students and professionals alike throughout the equine industry. This classic work covers the management of mares and stallions, conception, pregnancy, foaling, the care of the foal, youngsters, and breeding stock. It demonstrates what can go wrong and what action to take, and includes the latest technological developments and research data. Packed with line, halftone, and color photographs, this marvellous new edition will be of inestimable value, not only to stud owners, but also to a new generation of students seeking a career in horse breeding.
