There is an art to studying. Anyone one can "study," but few truly learn the art.

Drew Case's insightful new guide to academic achievement, *The Keys to Success*, provides the tools you need for a lifetime of accomplishment. The author's fifteen years of classroom instruction have helped shape this handbook into a fun and easy-to-read compilation that teaches the skills required for successful learning, studying, and test taking.

Over the past decade and a half, the strategies laid out in *The Keys to Success* have been shown to help all types of students achieve their maximum potential time and time again. This book has been a huge help to me as a high school student. I recently took an ACT preparation class and most everything covered in the class was covered in this book. It taught me how to get through tests quickly, but very efficiently and systematically. It has also taught me different methods for studying and I have found these tips very helpful. I highly recommend this book.

I think the book is great! I love the common sense approach in a day when "common sense" is rare. Your layout is clean and fresh. There is a nice flow. I found *THE KEYS TO SUCCESS* to be caring, upfront and a

GPS to success.

Coming back to school after many years of raising a family and having a career I felt so rusty and lost. This book literally saved my grade. If you have concerns about how to study and do well in college, this book is a MUST! Thanks Mr. Case

— Angie, College Student

I had Mr. Case for my pharmacology class and he gave us a copy of the unprinted book to see if we liked it. LOVED IT!!!! Seriously, I don't know how I could have passed this class without it. Why didn't you have this book available when I took your anatomy class?

— Sam, College Student
