Balance of Payments Statistics Yearbook 2004 (Vol 55) International Monetary Fund

This publication contains balance of payments data reported by member countries, with some additional data added by the IMF from other sources. The publication is in two volumes: the first gives data tables for the balance of payments and international investment position (IIP) of individual countries, in accordance with standards of the Balance of Payments Manual (BPM5); whilst volume two provides information on regional and world totals for major components of the balance of payments, as well as technical descriptions of selected reporting countries.
