Revised and updated, this local classic has become the definitive resource for exploring the southern half of Maine with children of all ages. It offers over 300 well-researched ideas for outings from Kittery to Camden as well as longer excursions. Adventures for all four seasons are included and locals as well as tourists will be delighted by this indispensable guide written by a Maine mother on a mission. The author has included a table of contents as well as an index by attraction and an index by location, so if you find yourself in say, Boothbay Harbor or Ogunquit, you can flip to the back and find out what to do in that town. Very clever. There's good reason this little gem is still going strong into its third edition.
