Kweli - the Truth Unmasked Joseph and Jane Matthews

It's been three years since Travis and Karasa battled the Janjaweed - Devils on Horseback. They saved dozens of kidnapped enslaved children but were unable to save Karasa's own child. With death-sentences hanging over their heads if they return to Sudan, they have desperately been trying to determine where Twangi is now and how to rescue him. When a letter from a prominent news agency arrives promising to orchestrate a reunion between them and their child in return for being allowed to feature their story, it seems too good to be true. Is it for real or is it a trap? Travis and Karasa travel on two wildly divergent trajectories as they each try to save Twangi before it is too late. Both are faced with navigating treacherous waters where the truth seems to be forever masked by a media overrun with personal ambition and political aims on a world-wide scale. Neither is willing to give up on a now teen-aged boy who has suffered eleven years of abuse and enslavement even if it means they must sacrifice their lives in his stead.
