Stolen My Heart: The Thrill of Falling in Love and the Tragedy of Heartbreak S. A. Ghandi

Stolen My Heart: The Thrill of Falling in Love and the Tragedy of Heartbreak is aimed especially at young adults. It is a story of love, romance, and heartbreak. It also tells how the lessons learned could inspire others. Says Rev. S. A. Ghandi, "This book is a true-life experience that I had with girls in my life. It is the journey of my love life, my pursuit of destiny, and the girl of my dreams. From one disappointment to the other, I never ceased to learn the great lessons of life in all of my predicaments and heartbreaks with these girls. It was the memories, the regrets, and the pains in retrospect I held over the years that led me to write this love tale." Stolen My Heart is a true-life experience showing the thrill of falling in love, as well as the tragedy of heartbreak that author S. A. Ghandi experienced with girls throughout his life. It is a tale of the good, the bad, and the ugly sides of his love life. It includes the lessons he learned in retrospect from his heartbreaks and how he was able to deal with them. He says, "It has taught me never to give up on love. It has taught me to always embrace love and women. It has taught me more about love, tenderness, tolerance, compatibility and mutual understanding with the opposite sex." While others may break down after their heart is broken, Ghandi had been able to turn his misfortune into an equivalent advantage for good, not succumbing to the destruction of his emotions for love and the pursuit of destiny. This book is written specially for those who have ever been in the mud and tasted the bitterness of love to find a stream of motivation and healing, one that flows from every hurt on every page. The author adds, "Every experience that I had with these girls has never left me the same. It has made me a better person. While the experience of heartbreak makes some people be more resentful towards love and women, it has taught me to be otherwise." Based in Lagos, Nigeria, Rev. S. A. Ghandi is an ordained minister of the gospel with the Independent Assemblies, a network of ministries headquartered in Moore, Oklahoma. Rev. S. A. Ghandi is the founder and senior pastor of "the one funky church" in Lagos, Nigeria, an urban church with an uncommon style of worship and ministry to both the church and the unchurched in the most blunt and relevant way. He is an ordained minister of the gospel with the Independent Assemblies, a network of ministries headquartered in Moore, Oklahoma. Rev. Ghandi is called to inspire women with inspirational talks in conferences and spoken poetry performances around the world. He is a prolific author, counselor, conference speaker, and spoken poet.
