## **Teens in Australia (Global Connections)** Brenda Haugen

In the land down under, teenagers work hard and play hard. Many teens hold part-time jobs while they study full time. But when they are not working, they spend time at the beach and enjoy meals on the barbie. In a country full of unique landscapes, animals, and people, teens are carving their own identities. Teens in Australia is part of Global Connections, a series that uncovers the challenges, pastimes, and customs of teens around the world.
