There's no rest for Paris's top criminal investigation division, *La Crim'*. Who is preying on women in the French capital? How can he kill again and again without leaving any clues? A serial killer is taking pleasure in a macabre ritual that leaves the police on tenterhooks. Chief of Police Nico Sirsky--a super cop with a modern-day real life, including an ex-wife, a teenage son and a budding love story--races against the clock to solve the murders as they get closer and closer to his inner circle. Will he resist the pressure? The story goes behind the scenes with the French police and into the coroner's office, with the suspense of *Seven*, with *CSI*-like details. Winner of France's most prestigious crime fiction award; named Best Crime Fiction Novel of the Year; and already an international bestseller with over 150,000 copies sold.
