The Benedict Box: A Time Travel Adventure (Molly Claire Book 2) (Volume 2) Alisa Kester

As a time traveler and professional ghost hunter, Molly Claire's life has always been complicated. But while working her last case, she discovered that saving people is harder and more heartbreaking than she ever imagined. Not only did she lose the child she was hired to help, but almost lost her own life as well. Crushed by the betrayal of her closest friend, she's ready to admit defeat; but when new information is brought to light, Molly Claire realizes that the betrayal runs even deeper – and that Argent Park, the park that eats people, hides a more horrifying secret than she ever imagined. If she returns to fight against LABS, Inc. with its conspiracy of medical experimentation, will the cost of her survival be even more than her own life? If she dares risk everything, is it still too late to save Amy? And worse... will she also lose the one person she truly loves?
