Product Performance Evaluation using CAD/CAE: The Computer Aided Engineering Design Series Kuang-Hua Chang

This is one book of a four-part series, which aims to integrate discussion of modern engineering design principles, advanced design tools, and industrial design practices throughout the design process. Through this series, the reader will:

- Understand basic design principles and modern engineering design paradigms.
 - Understand CAD/CAE/CAM tools available for various design related tasks.
 - Understand how to put an integrated system together to conduct product design using the paradigms and tools.
 - Understand industrial practices in employing virtual engineering design and tools for product development.
-
- Provides a comprehensive and thorough coverage on essential elements for product performance evaluation using the virtual engineering paradigms
 - Covers CAD/CAE in Structural Analysis using FEM, Motion Analysis of Mechanical Systems, Fatigue and Fracture Analysis
 - Each chapter includes both analytical methods and computer-aided design methods, reflecting the use of modern computational tools in engineering design and practice
 - A case study and tutorial example at the end of each chapter provide hands-on practice in implementing off-the-shelf computer design tools
 - Provides two projects at the end of the book showing the use of Pro/ENGINEER® and SolidWorks ® to implement concepts discussed in the book

From reader reviews:

Scott Seward:

This Product Performance Evaluation using CAD/CAE: The Computer Aided Engineering Design Series book is not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is usually information inside this guide incredible fresh, you will get info which is getting deeper a person read a lot of information you will get. That Product Performance Evaluation using CAD/CAE: The Computer Aided Engineering Design Series without we recognize teach the one who examining it become critical in contemplating and analyzing. Don't be worry Product Performance Evaluation using CAD/CAE: The Computer Aided Engineering Design Series can bring any time you are and not make your case space or bookshelves' turn out to be full because you can have it inside your lovely laptop even phone. This Product Performance Evaluation using CAD/CAE: The Computer Aided Engineering Design Series having excellent arrangement in word as well as layout, so you will not really feel uninterested in reading.

Dwight Ambrose:

As people who live in the actual modest era should be upgrade about what going on or data even knowledge to make them keep up with the era that is always change and progress. Some of you maybe can update themselves by examining books. It is a good choice in your case but the problems coming to anyone is you don't know which one you should start with. This Product Performance Evaluation using CAD/CAE: The Computer Aided Engineering Design Series is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

Curtis Graham:

Playing with family within a park, coming to see the water world or hanging out with pals is thing that usually you will have done when you have spare time, then why you don't try issue that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Product Performance Evaluation using CAD/CAE: The Computer Aided Engineering Design Series, you could enjoy both. It is very good combination right, you still would like to miss it? What kind of hangout type is it? Oh come on its mind hangout people. What? Still don't understand it, oh come on its called reading friends.

Monique Hightower:

As we know that book is vital thing to add our information for everything. By a reserve we can know everything we wish. A book is a pair of written, printed, illustrated as well as blank sheet. Every year has been exactly added. This guide Product Performance Evaluation using CAD/CAE: The Computer Aided Engineering Design Series was filled in relation to science. Spend your spare time to add your knowledge about your technology competence. Some people has diverse feel when they reading a book. If you know how big selling point of a book, you can experience enjoy to read a publication. In the modern era like at this

point, many ways to get book you wanted.
