## Scraps: Adventures in Scrapbooking Wendy Bagley

In the tradition of *Stitch 'n Bitch*, a collection of humorous essays about America's obsession with scrapbooking

Scrapbooking leads to deeper love, better health, perfect kindness, universal peace, a clearer complexion, and material wealth. Or so says Wendy Bagley, the witty author of *Scraps: Adventures in Scrapbooking*. *Scraps* is a hysterical collection of essays celebrating this outrageously popular hobby in all its glory.

True "Scrapaholics"--a.k.a. Crop Queens, Photo Fiends, and 35-millimeter Mamas--will rejoice to see themselves reflected in the pages of this one-of-a-kind send-up. Overflowing with helpful hints ("Successful scrapbooking is one percent inspiration, eighty-nine percent perspiration, and ten percent snack food.") and aspirational wisdom (see the chapter titled "World Peace Through Scrapbooking"), *Scraps* is the perfect gift for the scrapbooking Mom who has everything.
