Steps: Gospel-Centered Recovery - Bible Study Book includes small-group experiences and discussion guides for 13 sessions, individual study, applicable Scripture, and personal assessments.

This 13-session discipleship program takes people to the root of sin and suffering in order to embrace the freedom found only in Christ's redemption. Potentially life-changing experiences are brought about by in-depth Bible study, thorough personal assessments, insightful teaching videos, and honest interactions with a group leader and mentor.

Honed over years of implementation at The Village Church's campuses in the Dallas-Fort Worth metroplex, *Steps* formed the foundation of the church's ongoing recovery ministry. It continues to be one of the most fruitful discipleship courses offered throughout the calendar year.

In these 13 sessions, Matt Chandler and Michael Snetzer invite other pastors from The Village Church to teach each of the 12 steps. Building on the incomplete truths of traditional recovery programs, *Steps* elevates the redeemed truths to be seen through the light of Scripture and a personal relationship with Jesus Christ.

Theologically rich and steeped in the wisdom of practical biblical counseling, *Steps* is more than a Bible study; it's a discipleship tool and the foundation for gospel-centered recovery.

Sessions include:

1. The Genesis: Creation and Fall
2. The Remedy of Our Insanity: The Gospel
3. The Response of Faith: Repentance
4. The Result: Justification, Adoption, and Sanctification

7. Assessing Fear, Grief, and Loss
