The Immortality Game Ted Cross

Moscow, 2138. With the world only beginning to recover from the complete societal collapse of the late 21st Century, Zoya scrapes by prepping corpses for funerals and dreams of saving enough money to have a child. When her brother forces her to bring him a mysterious package, she witnesses his murder and finds herself on the run from ruthless mobsters. Frantically trying to stay alive and save her loved ones, Zoya opens the package and discovers two unusual data cards, one that allows her to fight back against the mafia and another which may hold the key to everlasting life.
