Adobe Photoshop: Version 4.0 [With CDROM] (Classroom in a Book (Adobe)) Adobe Systems Inc Classroom in a Book, the world's best-selling series of hands-on software training workbooks, just got better! Shorter, more focused lessons are designed to fit into busy schedules and to help you learn the features of Adobe software quickly and easily. The new compact book size enhances portability, and the text design makes information easily accessible. The scope of each book is expanded to include both intermediate and advanced techniques. And for the first time, all the lessons contain both Macintosh and Windows instructions for seamless dual-platform learning. Classroom in a Book covers a wide range of features, tools, and techniques for Photoshop 4.0 or later. Even if you are familiar with Adobe Premiere, take the time to review all the lessons-you will be surprised by how much you learn! If you are a novice, work with each lesson as many times as you want, and then move on to the next lesson. By the end of your training, you'll know Premiere like a pro!
