Asian American Women and Men: Labor, Laws, and Love (Gender Lens) Yen Le Espiritu
Labor, laws, and love. Yen Le Espiritu explores how racist and gendered labor conditions and immigration laws have affected relations between and among Asian American women and men. *Asian American Men and Women* documents how the historical and contemporary oppression of Asians in the United States has (re)structured the balance of power between Asian American women and men and shaped their struggles to create and maintain social institutions and systems of meaning. Espiritu emphasizes how race, gender, and class, as categories of difference, do not parallel but instead intersect and confirm one other.
