This comprehensive question-and-answer review book has been revised and updated to meet current NCLEX standards. The study guide and reference text includes: a free NCLEX demo disk, over 1750 review questions, two comprehensive exams that simulate the actual licensing exam, and answers with rationale for correct and incorrect responses. Test-taking strategy is discussed and the new Computerized Adaptive Testing (CAT) is also covered. A self-evaluation grid follows each test, and reference citations after each correct answer.
