Photo Projects: Plan & Publish Your Photography - In Print & on the Internet Chris Dickie
Undertaking a personal project—whether for a magazine, a book, a website, a commission, or an exhibition—offers photographers an opportunity to broaden their horizons and develop their art. This outstanding guide takes photographers through all the thought processes and planning necessary to successfully publish their work, and offers a wealth of expert advice from both the author and the 30 other featured photographers. Highly illustrated with color and monochrome images from project-based practice, the book showcases a mix of commercial, fine-art, documentary, and commissioned photographs. Chris Dickie has been a photographer and leading photographic editor for more than 30 years.

From reader reviews:

David Anthony:

Reading a e-book tends to be new life style in this particular era globalization. With reading through you can get a lot of information that can give you benefit in your life. With book everyone in this world could share their idea. Guides can also inspire a lot of people. A lot of author can inspire their very own reader with their story as well as their experience. Not only the storyline that share in the books. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors these days always try to improve their skill in writing, they also doing some investigation before they write on their book. One of them is this Photo Projects: Plan & Publish Your Photography - In Print & on the Internet.

Debra Jones:
