SharePoint 2010 Fundamentals & Administration: Interactive Training Course (CBT) Andre Abramenko, Duke Nickolas

The SharePoint 2010 Fundamentals and Administration interactive training DVD-ROM provides a unique method of learning that allows you to see the steps, hear the explanations, and perform the tasks. Instructor demonstrations and hands-on labs ensure that you fully understand all subject matters. This training is intended for Administrators, Designers, Planners, Web Masters, and Managers.

We cover important fundamental topics before going into administration to help you understand SharePoint inside and out. You will learn SharePoint architecture, administer tools, best practices, web application and site collection management, search and user profiles administrations, backup and many other topics.

Best Way to Learn SharePoint Visually and Interactively

- **Watch it** - With large full screen demos you will not miss a click. Videos are available in different formats so you can copy them to portable devices.
- **Try it Yourself** - Save time and solidify your skills with a preconfigured SharePoint environment as you work through step by step hands-on labs.
- **Control Your Pace** - Start and stop at your convenience. You will not get bored as the training changes between presentations, demonstrations, and hands-on labs.
- **Learn From the Best in the Industry** - Since 2003 tens of thousands of professionals have used our interactive training to become experts in SharePoint. You will gain in-depth knowledge of SharePoint fundamentals, administration, best practices, and customization from our experienced instructors.
- **Stay Updated** - Don't be stuck with outdated techniques. You can download the latest training content from our website.
- **Search** - Easily search and find topics you are interested in.

Training Material Includes

- **11 hours** of recorded presentations and demonstrations
- **12 hours** of hands-on labs and exercises
- **Course workbook** (provided in electronic form) that can be printed for taking notes
- **Virtual SharePoint environment** preconfigured with all the software.

From reader reviews:

Kevin Applegate:

Now a day people who Living in the era everywhere everything reachable by talk with the internet and the resources inside it can be true or not call for people to be aware of each details they get. How people have to be smart in having any information nowadays? Of course the solution is reading a book. Reading a book can help persons out of this uncertainty Information especially this SharePoint 2010 Fundamentals & Administration: Interactive Training Course (CBT) book since this book offers you rich facts and knowledge. Of course the information in this book hundred percent guarantees there is no doubt in it everbody knows.

Virginia Benson:

Precisely why? Because this SharePoint 2010 Fundamentals & Administration: Interactive Training Course (CBT) is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will jolt you with the secret the item inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content within easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have such as help improving your proficiency and your critical thinking way. So , still want to delay having that book? If I have been you I will go to the reserve store hurriedly.

Barbara Norwood:

Reading a book for being new life style in this 12 months; every people loves to study a book. When you read a book you can get a lots of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this kind of us novel, comics, as well as soon. The SharePoint 2010 Fundamentals & Administration: Interactive Training Course (CBT) provide you with a new experience in reading a book.

Randall Wilmes:

This SharePoint 2010 Fundamentals & Administration: Interactive Training Course (CBT) is brand new way for you who has fascination to look for some information mainly because it relief your hunger of knowledge. Getting deeper you on it getting knowledge more you know or you who still having tiny amount of digest in reading this SharePoint 2010 Fundamentals & Administration: Interactive Training Course (CBT) can be the light food in your case because the information inside this kind of book is easy to get by simply anyone. These books develop itself in the form and that is reachable by anyone, that's why I mean in the e-book contact form. People who think that in publication form make them feel sleepy even dizzy this book is the

answer. So there is not any in reading a publication especially this one. You can find what you are looking for. It should be here for a person. So , don't miss that! Just read this e-book sort for your better life in addition to knowledge.
