The Coming of Zion's Redeemer Ronald Hanko

The prophecies of Haggai, Zechariah, and Malachi, though not always easy to understand, are as much needed today as when they were written. Written for those living at the end of the Old Testament and looking forward to the first coming of Christ, they speak with authority and promise to those who are looking forward to the second coming of Christ and who live near the end of this present age. Very different in style, they have a unity of theme and purpose in Christ, the great King, Priest, and Prophet of his people.
