The Fish Tank Kristina Henry

'Explore with your children a world in the fish tank. With twenty beautiful, bold color illustrations and haiku poetry for text, this book describes life in a tropical fish tank and explores the concept of living together peacefully and happily. Meet goldfish, tetra, tiger barbs, and angelfish. These tropical fish in many shapes, colors, and sizes dwell in a murky aquarium. In their world, they either fight or hide to survive. When a newcomer arrives and cleans the glass tank, the fish see things clearly for the first time. This book, presenting hope for harmony, is a delight for children and adults alike, as together they explore life in the fish tank.'
