The X Factory: Inside the American Hardcore Film Industry Anthony Petkovich

Since 1972 and the release of **Deep Throat**, the business of making commercial hardcore feature films has grown dramatically. Thousands of films are produced every year. Yet for the most part the industry remains a mysterious commodity, with the people behind it still seen as unscrupulous, vaguely threatening figures.

Now the record is put straight with **The X Factory**, an eye-opening trip into adult feature films courtesy of interviews, on-the-set reports and a visit to the *World's Biggest Gang Bang 2*.

"The best peep-show coverage of the porn-video business."-*Screw*
