Chasing The Mouse Fr. Nathan Monk

We've all been there. Well, most of us. That childhood dream of the most magical place on earth. We've all dreamed of seeing the sparkling castle in real life and hugging our favorite characters. But what happens when that childhood dream really signifies something much more—an escape, a rising above the ashes? And then it's dashed against the rocks of uncertainty? Of poverty and hopelessness? In this engaging, reflective, emotional true story, Nathan Monk takes you through the real life journey of a hopeful father struggling to hold his family together in an intimidating world of poverty and homelessness. Villains and evil witches lie in wait, ready to prey on their victims, while supportive sidekicks and fairy godmothers save the day in this remarkable tale of a child who rose from living in parking lots to becoming a widely recognized advocate for the homeless. Written partially from his perspective as a child, Nathan ties these stories back to current issues of social justice and the need for reform in the way we address poverty in America. A perfect blend of fairytale and in-depth expose, you're invited on an intimate journey with Nathan and his family as his father attempts to follow through with his mythical promise of unifying his family, righting wrongs of the past, fighting against a clock as it quickly approaches midnight, and Chasing the Mouse. Overflowing with passion, this touching, needed story will inspire you to reach for your own dreams, knowing that no matter the obstacles, no matter the risk, dreams really can come true ... if you just believe.
