Crystal Prescriptions: Crystals for Ancestral Clearing, Soul Retrieval, Spirit Release and Karmic Healing. An A-Z Guide. Judy Hall

This immensely practical sixth book in the *Crystal Prescriptions* series covers crystals for karmic clearing, soul integration and healing the family tree. In addition to our own karma, we are hampered by ancestral memories, attitudes and beliefs that are not necessarily 'ours' but we have inherited them and, all too unconsciously, replay them time and again. They are carried in our 'junk DNA', and we have to work with them until cleared. Many people in incarnation now came in with the intention of being lineage breakers: healers for the collective and the ancestral line in addition to their personal karmic past. Fortunately some extraordinary new crystals have appeared which help us to do exactly that quickly, easily and without having to relive the trauma and dramas of karmic history. With the assistance of these crystals, and some old favourites, it is possible to heal far back into the genealogical line and our own karmic past. The healing is then projected forward into the future so that the generations to come can have the benefit of garnered soul and ancestral wisdom but without the baggage. An A-Z directory of appropriate crystals assists you to identify exactly the right crystal for your needs.
