Herb, the Vegetarian Dragon (Barefoot Books) Jules Bass

All the dragons in the forest of Nogard like nothing better than raiding Castle Dark and carrying off princesses to eat all the dragons, that is, except one. Herb is at his happiest tending his vegetable patch, for Herb is a vegetarian. So it is unfortunate that he is the one captured by the castle's knights in armor. Treacherous Meathook and his dragon cronies will only help Herb if he agrees to eat meat will he give in to their blackmail? Jules Bass's lighthearted story combines with Debbie Harter's jaunty illustrations to make this a hilarious picture book that also offers young readers plenty of food for thought.
