The Ultimate Guide To Handicapping The Horses: From A Horseman And A Gambler (Revised)

Joseph J Tuttle

Recently revised from the Mid-February edition as of 11/01/08. I've made a very concerted effort to try and incorporate as much pertinent horsemanship knowledge into the chapters; as a way to better serve the novice; average, or below average horseplayer. I truly believe that after reading this book, you will immediately come away with a better sense of yourself (as a horseplayer), and will soon realize where exactly it is you want to be as a horseplayer. Or, you might have a wonderful epiphany and realize that maybe you too can become a more successful horseplayer. Maybe, a "professional"! I must admit that if you're taking yourself at all seriously, you are also going to need my newest horse handicapping book... "The Tuttle Way" or "The Tuttle Way II". are a bit more advanced, and it can only help further your development as a Horseplayer.
