## Little Black Lies Tish Cohen

Sara Black is tiptoeing across a fraying tightrope.

As *the* new eleventh grader at Anton High—the most elite public school in the country—she sticks out like an old VW bus in a parking lot full of shiny BMWs. But being the new kid also brings a certain advantageous anonymity.

In Anton High's world of privilege, intelligence, and wealth, Sara can escape her family's tarnished past and become whomever she wants.

And what's the harm in telling a few little black lies when it can lead to popularity? That is, until another *it* girl at Anton becomes jealous of Sara's social climbing.

With her balance evaporating, one small push could bring Sara crashing down.
