The Alchemists

F. Sherwood Taylor

The Alchemists F. Sherwood Taylor

The figure of the alchemist stands as the true bridge between magic and modern science. Now, in this fascinating book, author F. Sherwood Taylor, former Director of the Science Museum in South Kensington and the author of many chemistry textbooks, provides what is probably the finest, authoritative popular account of the alchemists as they really were. The book includes chapters on the ideas of the alchemists and the origin of their practice, the earliest alchemical signs and symbols, Chinese and Islamic alchemy, medieval and English alchemists, alchemical symbolism, and the story of a true transformation, not one from lead to gold, but of the replacement of superstition by science. This book should be of interest to anyone concerned with the history of ideas and Man's attitude toward matter.

From reader reviews:

Dixie Love:

The book The Alchemists give you a sense of feeling enjoy for your spare time. You should use to make your capable much more increase. Book can being your best friend when you getting tension or having big problem with your subject. If you can make reading through a book The Alchemists to become your habit, you can get far more advantages, like add your personal capable, increase your knowledge about a few or all subjects. You can know everything if you like open and read a e-book The Alchemists. Kinds of book are several. It means that, science e-book or encyclopedia or other individuals. So , how do you think about this reserve?

Thomas Moore:

Information is provisions for anyone to get better life, information nowadays can get by anyone with everywhere. The information can be a knowledge or any news even a problem. What people must be consider if those information which is within the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one often the resource are convinced. If you obtain the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen inside you if you take The Alchemists as the daily resource information.

Roger Patrick:

This The Alchemists is great book for you because the content which is full of information for you who else always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great organize word or we can point out no rambling sentences in it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but difficult core information with attractive delivering sentences. Having The Alchemists in your hand like having the world in your arm, info in it is not ridiculous just one. We can say that no reserve that offer you world with ten or fifteen moment right but this publication already do that. So , this is good reading book. Hello Mr. and Mrs. active do you still doubt that will?

Robert Carroll:

Reading a book to get new life style in this season; every people loves to learn a book. When you learn a book you can get a large amount of benefit. When you read books, you can improve your knowledge, since book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you would like get information about your study, you can read education books, but if you want to entertain yourself read a fiction books, this kind of us novel, comics, as well as soon. The The Alchemists will give you a new experience in reading through a book.
