The Children of When Book 1: Florisia Jennifer Redmile

Leah, Raff and Belle are raised in separate 'foster-homes' until their fourteenth birthdays. On that day, the law states they must leave everything behind for an unknown future.

When they are magically transported to another world, they discover not only each other, but a prophecy that has been waiting for 1000 years for their arrival.

In order to fulfill the prophecy, they must find and reunite three missing pieces of an ancient amulet, and in the process learn to control and use their unique Gifts.

Dark forces conspire to prevent the resurrection of the amulet, and their journey becomes one of survival. Turning fourteen was NOT supposed to be this hard!
