For Tess Kendrick, a junior at the elite Hardwicke School in Washington D.C., fixing runs in the family. But Tess has another legacy, too, one that involves power and the making of political dynasties. When Tess is asked to run a classmate's campaign for student council, she agrees. But when the candidates are children of politicians, even a high school election can involve life-shattering secrets.

*Meanwhile, Tess's guardian has also taken on an impossible case, as a terrorist attack calls into doubt who can ? and cannot ? be trusted on Capitol Hill. Tess knows better than most that power is currency in Washington, but she's about to discover firsthand that power always comes with a price.*
