The Same Earth Kei Miller

From the WINNER OF THE FORWARD PRIZE FOR BEST COLLECTION 2014, a 'humorous, bittersweet fiction, combin[ing] the fantastical realism of Marquez with the domestic comedy of Andrea Levy' *INDEPENDENT*

It all begins with the theft of Tessa Walcott's panties...

After the hurricane of 1974, Jamaica is devastated. Imelda Richardson is sent to England, without a place to stay or a plan of what to do. Luckily she is taken in by Purletta Johnson, a member of the ex-pat bourgeoisie who has decided to become more Jamaican than any Jamaican: sucking her teeth, sporting a gold tooth, and growing ganja on her balcony.

But when her mother dies Imelda returns to Jamaica. When Tessa Walcott's panties are stolen, she and Imelda set up a Neighbourhood Watch. But they haven't counted on Pastor Braithwaite who denounces them in Church. The church-goers turn on Imelda, and when the river suddenly floods her home it is seen as a punishment from God. A Pentecostal fervour sweeps through the village of Watersgate, fuelled by Evangelist Millie. In her last great crusade, Miss Millie organises 'fire to burn their sins away', equipping the villagers with kerosene as they set about burning everything. Now they are marching on the gay man's house and only Imelda can save him.

From reader reviews:

Sharon Gaines:

The book The Same Earth can give more knowledge and also the precise product information about everything you want. Why then must we leave the good thing like a book The Same Earth? Wide variety you have a different opinion about book. But one aim that will book can give many information for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or info that you take for that, you may give for each other; you can share all of these. Book The Same Earth has simple shape but the truth is know: it has great and massive function for you. You can look the enormous world by open up and read a reserve. So it is very wonderful.

Jose Anderson:

This The Same Earth book is just not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is usually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. That The Same Earth without we comprehend teach the one who reading it become critical in considering and analyzing. Don't end up being worry The Same Earth can bring once you are and not make your bag space or bookshelves' grow to be full because you can have it inside your lovely laptop even mobile phone. This The Same Earth having fine arrangement in word in addition to layout, so you will not feel uninterested in reading.

Steven Stockton:

Information is provisions for folks to get better life, information currently can get by anyone from everywhere. The information can be a expertise or any news even a concern. What people must be consider whenever those information which is in the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take The Same Earth as the daily resource information.

Bradley Sparks:

A number of people said that they feel uninterested when they reading a book. They are directly felt this when they get a half portions of the book. You can choose the particular book The Same Earth to make your current reading is interesting. Your own skill of reading expertise is developing when you including reading. Try to choose simple book to make you enjoy to see it and mingle the sensation about book and studying especially. It is to be initial opinion for you to like to wide open a book and read it. Beside that the publication The Same Earth can to be your friend when you're really feel alone and confuse in what must you're doing of the time.
