## **When the lights go out!: A guide to living in your home without power or water, during a emergency.**

Dana G.

A realistic guide for the person that wants to use what they already have, to survive living in your home without power or water, during a emergency. Using the items already in your home. For example how to locate and get water hidden in your hot water heater. Including real life examples based on living for up to 3 weeks without power and water after hurricanes in Florida and ice storms in North Carolina. Also includes things you can do to prepare for the next time.
