A Symphony of Echoes: The Chronicles of St. Mary's Book Two

Jodi Taylor

A Symphony of Echoes: The Chronicles of St. Mary's Book Two Jodi Taylor

The second book in the bestselling British madcap time-travelling series, served with a dash of wit that seems to be everyone's cup of tea.

Behind the seemingly innocuous facade of St. Mary's Institute of Historical Research, a different kind of academic work is taking place. Just don't call it "time travel"—these historians "investigate major historical events in contemporary time." And they aren't your harmless eccentrics either; a more accurate description, as they ricochet around history, might be unintentional disaster-magnets.

The Chronicles of St. Mary's tells the chaotic adventures of Madeleine Maxwell and her compatriots—Director Bairstow, Leon "Chief" Farrell, Mr. Markham, and many more—as they travel through time, saving St. Mary's (too often by the very seat of their pants) and thwarting time-travelling terrorists, all the while leaving plenty of time for tea.

In the sequel to *Just One Damned Thing After Another*, Max and company visit Victorian London in search of Jack the Ripper, witness the murder of Archbishop Thomas Becket in Canterbury Cathedral, and discover that dodos make a grockling noise when eating cucumber sandwiches. But they must also confront an enemy intent on destroying St. Mary's—an enemy willing, if necessary, to destroy history itself to do it.

Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a *New York Times* bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
