**Dragon King (The Bride Hunt)** Charlene Hartnady

**Dragon Shifter Novel** Blaze has loved and lost before. He's been down that slippery path before and never wants to go there again. Especially not with a human. It's a great pity that he has no choice. The problem is that he's the fire King, ruler of all four kingdoms. Blaze is expected to have heirs, and the sooner the better. He'll have to take a human as his mate, one that will bear his young, but he doesn't have to love her. Blaze plans on handling it like a business transaction. No love, no emotion, no problem. This book can be read as a standalone but would be best enjoyed as a part of the series (Start with Chosen by the Vampire Kings). No cliffhanger! **The Story Contains strong sexual themes/language and is not intended for readers under the age of 18.**
