## **The Vertical System** Albert S. Benoist

Our present economic system is in trouble. Inflation a trigger for putting strains on our way of life, and the gap between the poor and the wealthy is widening, while the middle class is being squeezed. The Vertical System gives us a plausible theoretical look at another option, by drawing on the success of the Ithaca Hour monetary system and others. Author, Albert Benoist presents a world based on a value system that benefits all citizens, utilizes technology for operational function and reduces graft and corruption. A must read for any future economist, student, banking personnel or the average person hoping for a better life. Solutions include the following: Unlimited capital; Restore value to money; Make taxation unnecessary; Revise function of insurance companies; Eliminate Medical service cost; Eliminate cost for education and improve quality; Improve and protect environment; Full employment; Enhanced family life; Unlimited support at no cost. Very competitive with other systems
