Often in our society we have a story that begs to be told. We all love the underdog stories, and there are an abundant amount of those. This book meets both of those criteria. In Coral Springs, Florida, a group of kids met in the summer of 2007 to try out for the Coral Springs Chargers 120 lb youth football team. They were not big, fast, talented or strong. Follow them as their individual personalities emerge and they struggle through the rigors of summer sessions, injuries and a mediocre season to highlight what became a story about heart, team and eight seconds. Charging Forward brings to life lessons we all can learn.
