Hal Hartley: Collected Screenplays Volume 1: The Unbelievable Truth, Trust, Simple Men Hal Hartley

For over a decade, Hal Hartley's deadpan comedies and explorations of unlikely relationships of love and trust have been favorites with critics and indie film crowds alike. Gathered here in one volume for the first time are the screenplays for three of his most acclaimed films: *The Unbelievable Truth*, in which a young man returns home after serving time for murder; *Trust*, which follows a pregnant teen and the effect of her condition on her family; and *Simple Men* -- the film that first brought him widespread prominence -- in which two brothers go in search of their anarchist father.
