Who This Book Is For

The Joomla! 3 Beginner's Guide Second Edition is the ultimate guide for web developers who wish to build upon their skills and knowledge on creating websites. Even if you're new to this subject, you won't have any difficulty understanding the clear and friendly instructions and explanations. No prior knowledge of HTML and CSS is required.

What You Will Learn

- Discover how to create a feature-rich site that's easy to expand, customize, and maintain, without learning HTML and Cascading Style Sheets (CSS)
- Engage your web visitors and turn them into active users; enable users to register and add content
- Use templates to get your site to look just right by tweaking the CSS and customizing templates using your own logo, fonts, and colors
- Extend Joomla's capabilities by finding and installing must-have extensions that perfectly meet your purposes
- Get to know how to increase your site's visibility for search engines, applying search engine optimization (SEO) techniques

In Detail

Taking full advantage of all the new features and enhancements added to the 2014 release of Joomla 3, this practical guide starts by teaching you how to install Joomla. After a quick tour of the basic concepts and the new features, you'll build your very first site in no time by customizing Joomla's default sample site to fit your needs, replacing the logo, colors, menus, and content.

You will learn how to organize the growing amount of content using Joomla's flexible system of categories and content tags. In the last couple of chapters, you go beyond the basics and will discover how to expand Joomla's capabilities. Finally, you will gain knowledge about search engine optimization (SEO), site security, and multilingual sites. Step-by-step, the Joomla! 3 Beginner's Guide Second Edition teaches you

how to set up, customize, enhance, and maintain your website using Joomla!
